JOIN US THIS WEDNESDAY.....

We have our monthly general membership meeting this Wednesday, February 11th at Noon at Colton's Steakhouse. The board will be meeting on Tuesday and a lot of things are in the near future. Hope you can join us and hear all about what is going on with the club!

SUNNY OPTIMIST vs POLAR VORTEX....

Was a huge success.....12 prospective new members along with Optimist members enjoyed the event. A good time was had by all. We received two applications that evening from Rachael Conover and Stephanie Nissen. Jenny Haberberger turned her application the week before. Be sure to introduce yourself and welcome Rachael, Stephanie and Jenny to the club.

A THANK YOU FROM PHYLLIS.....

The Optimists came through again! The sharp eyes of Diane Borovic helped get a stainless-steel sink to the Franklin County Humane Society. Many thanks, Diane! A smaller-sized floor polisher is still needed, if anyone has a lead on this item.

Way to go Diane!
