Today's Meeting: President Doug Oncken opened our evening meeting at 6:45. Lloyd Viehland gave our invocation. Huch Murrell led us in the Pledge of Allegiance. Our main topic this morning was how we are getting ready for our Pancake Day this Saturday at Harrisburg High School. We think we have assembled all the stuff we will need for the event Saturday. We will meet at the clubhouse at 3:00 Friday afternoon to load up everything we need, and take it to the High School. Saturday morning, the cooks will start about 5:30 to insure that everything is ready to go at 7:00. The rest of our volunteers should be ready to go by 7:00. Larry French and Bob Nichols are heading up the Tri-Star Basketball Competition. That will start at 10:00 in the Harrisburg Gymnasium. Volunteers will be needed for this event also. Many of our members will be doing double duty Saturday. We also have a women's and men's basketball doubleheader at Columbia College with games at 1:00 and 3:00. Kind of makes for a long day. We did not have the board meeting minutes available but Jack reported that the board did accept the membership application of Don Logan, and we have a new membership application from Blaine Chandler to consider at next month's board meeting. Bob Grant led us in the Optimist Creed to close the meeting.

Today's Program: This morning, we heard from Nile Kemble from the Diamond Council. They provide baseball and softball athletics for kids from 4 years old to seniors in high school. Last year, they had 2700 kids enrolled in the program. They are still in Spring registration, so numbers for this year are not available yet. They are looking for volunteers to help and especially to umpire. Anyone 16 or older can umpire and the pay is good for students looking for summer jobs. President Doug Oncken presented Nile with our check for \$500 as we continue to support this organization.
